DIGITAL DENTISTRY IS NOT THE FUTURE: IT'S THE PRESENT!

With more and more clinicians already using digital technology, the ability to offer simple and comfortable treatment to your patients isn't just for a few elite practitioners. The new Virtuo Vivo™ Intraoral Scanner is an easy and patient-friendly option that allows you to increase treatment efficiency and enhance patient comfort. The iTero Trios, with multiple models, creates a great digital experience for you and your patient.

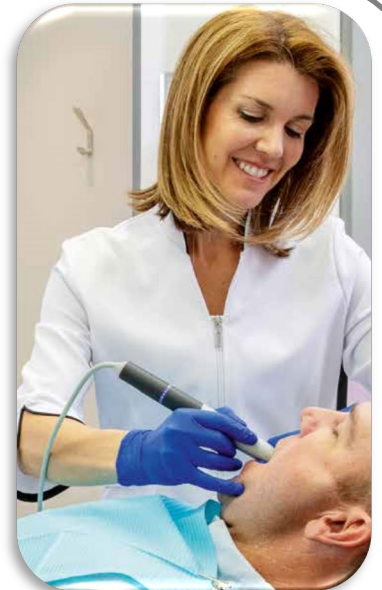

PICK UP THE PACE AND EXPLORE THE POSSIBILITIES OF DIGITAL SCANNING
WITH *VIRTUO VIVO* and *3SHAPE TRIOS* TODAY!

In this course, you will learn how to utilize your intraoral scanner for:

- crown & bridge workflow
- scanning for final implant restorations
- capturing edentulous cases for removables
